ALEXANDRIUM SHOPPING CENTER

THE FUN, FASHION & FOOD SHOPPING CENTER
THE ULTIMATE COVERED SHOPPING EXPERIENCE WITH OVER 200 SHOPS
Conveniently located and easily accessible by train, metro, and bus, we offer a complete shopping experience for everyone. Plan your visit today and discover why we are Rotterdam's favorite shopping destination!

FENIX
Fenix, located in a restored historic warehouse, is the new art museum that tells stories about migration. The tornado by MAD Architects, a double-helix staircase inside the museum, takes you all the way up to a panoramic rooftop platform that offers a new view of the city. Fenix invites you to explore how migration shapes both Rotterdam and the world. Within walking distance, you will find the new home of the Nederlands Fotomuseum, adding yet another cultural highlight to this vibrant area of Rotterdam: Katendrecht.

MARKTHAL
Step inside the Markthal (2014), an architectural icon filled with vibrant market stalls, shops and restaurants. Beneath its striking arched roof, 228 apartments bring life to the building. Located near the heart of Rotterdam's shopping district, this lively spot marks where the medieval settlement of Rotta grew into the modern city we know today. On Tuesdays and Saturdays, the weekly market at Binnenrotte adds even more vibrancy.

LAURENSKERK
The Gothic Laurenskerk (1449-1525) is the only medieval structure that withstood the devastation of World War II. Regularly hosting concerts, it also offers breathtaking views for those who climb its ancient tower. Rest on the benches of Grotekerklein's tranquil park, where a statue of Desiderius Erasmus (1466) stands proudly.

FLOATING FARM
In the Merwe-Vierhavens (M4H) district, the Floating Farm redefines urban food production. This circular initiative (2019) combines innovation with sustainability, feeding cows with by-products from local breweries and mills. Visit the floating farm and enjoy nearby hotspots like StadsHAVEN Brewery, a waterfront gastropub.

DISCOVER ROTTERDAM

This City Map is your guide to the city and a true treasure trove. Discover highlights and hidden gems off the beaten track. Let this map lead you to enriching experiences and unforgettable adventures.

VISITOR INFORMATION
Rotterdam Tourist Information is your starting point for inspiration and tips on what to see and do in this vibrant city. Check out rotterdam.info, follow us on social media, visit our Rotterdam Tourist Information locations in the main hall of Rotterdam Centraal and at metrostation Hoek van Holland Haven, or explore Port Pavilion.

SS ROTTERDAM
The majestic SS Rotterdam, the former flagship of the Holland-America Line, sailed the world from 1959 to 2000 and is now permanently moored at Katendrecht. Step aboard and explore its rich maritime history. Feel like you're on the Love Boat as you stroll along the Promenade Deck.

HISTORIC DELFHAVEN
This is where the Pilgrim Fathers set sail for America in 1620. Explore the marina, the Pelgrimvaderskerk (1417) and relics of pre-war Rotterdam, including the Zakkendrogershuisje (1653) and De Distilleerkerel windmill. Today, this charming area flourishes with antique shops, cosy cafés and attractions.

DEPOT BOIJMANS VAN BEUNINGEN
Catch your reflection in the mirrored facade of this groundbreaking art depot. Depot Boijmans Van Beuningen (2021) is more than a storage space; it's a cultural experience accessible to the public. Admire art, explore the rooftop forest or enjoy a meal at the rooftop restaurant Renilde. Afterwards, stroll through Museumpark and visit Chabot Museum, Kunsthal Rotterdam, Nieuwe Instituut and Natuurhistorisch Museum Rotterdam for a diverse range of exhibitions and cultural experiences.

TROMPENBURG GARDENS & ARBORETUM
Known as the Green Museum of Rotterdam, Trompenburg offers a unique botanical experience. Home to thousands of plant species, including rare oaks, rhododendrons and wisteria, this 8-hectare municipal monument features traditional English gardens, a developing food forest and a desert greenhouse. It's the perfect spot for a green escape near the city centre.

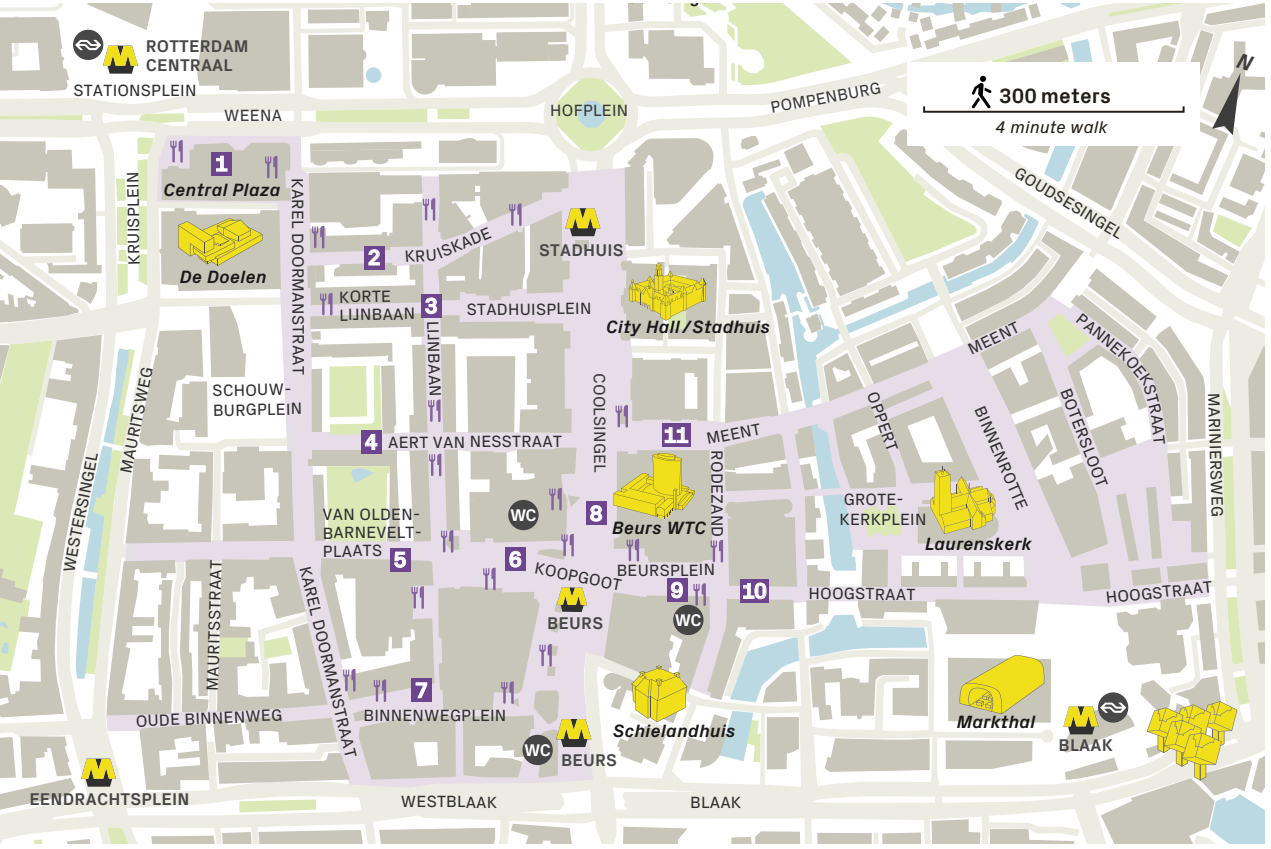

KUBUSWONINGEN
The Cube Houses (1978-1984) by Piet Blom are an iconic part of Rotterdam. Each house represents a tree, creating an 'urban forest.' Designed to optimise space and light, the tilted cubes are a brilliant example of Rotterdam's innovative architecture.
